We are very pleased to have the opportunity to offer these great tools for sale at Public Auction. We are selling for Mrs. Norma Albrecht. Her late husband, Glen Albrecht, Norborne, was affectionately known as "The Hammer Man". His collection drew folks from all over the US to his "museum" next to his home. To say he collected hammers & wrenches, is an understatement. In this, the second of two, we are able to bring you his favorites and his special hammers, wrenches, axes, hatchets & other tools. This is the mother lode for all types of hammer & tool collectors.....the variety and diversity will appeal to about any collector, whether you are advanced or just starting, there's most likely something here to catch your attention. You will want to attend this auction, if at all possible. Directions: from Richmond take Hwy 13 N. to 134th, go W. to Garner Rd, go S. to 3rd house on left. **Hunt Auction Barn.** Signs posted on Hwy 13. **715 Lots. Itemized descriptions and photos of all the items are on AuctionZip.com. Auctioneer ID 7237.**
